Hi everyone, I've added edits for consideration to the PCW – Temperature Guidance Development section of the talking points.

Ex. 5 - Deliberative

Hi Everyone – I talked with some people and added a few draft talking points. You can scroll directly to the areas that you're working on. I still need to talk with Peter L. Please work off of this one and make changes. Let's try to set up a time to talk next week. I'll coordinate with Alan.
